Girl Scouts in Huntington Harbour

by Elisabeth Baudisch

Junior Troop 6235 in San Francisco for the "Bridging Ceremony." 7,000 Girl Scouts from around the USA crossed the Golden Gate Bridge to symbolize their transition from Junior Girl Scout to Cadette Girl Scout.

On April 5th, Brownie Troop 5220 and Junior Troop 6235 hosted a Ponytail Roundup at Harbour View Elementary School. The Ponytail Roundup is an annual event where students, staff and parents at Harbour View donate their hair to make free wigs for children with hair loss. Troop 223 started a Locks of Love event at the school 17 years ago, which has evolved and been passed down to several troops to keep the event going. This year we had over 28 participants who donated at least 8 inches of their own hair for this great cause. All participants received a special t-shirt and a free haircut done by stylists from The Paul Mitchell School in front of the entire school. The event was organized and paid for by the 30 girls from troops 5220 and 6235 with the proceeds they earned from selling Girl Scout Cookies and Fall Product. The cost of this event was over \$600. What a great way to give back.

Junior Troop 6235 just flew back from an exciting trip to San Francisco! They were part of a large bridging ceremony with 7,000 other Girl Scouts from around the USA. The girls and their chaperones walked the entire Golden Gate Bridge to symbolize the completion of two years as a Junior Girl Scout to become a Cadette Girl Scout. After crossing the bridge there was a big celebration in Crissy Field with food, music & fun! They also enjoyed touring the city of SF visiting The Japanese Tea Garden, California Academy of Sciences Museum, Chinatown, Union Square and they even rode in a cable car. The girls planned this adventure themselves and 85% of it was paid for with the money they earned from selling Girl Scout Cookies and Fall Product. It took two years of planning and saving to make this trip possible. This is a memory they will cherish forever.

HHPC: Boat Parade

by Lara Anderson

Join the biggest party of the year and get ready to rock! The 2019 Huntington Harbour Boat Parade and home decorating theme is “Rock & Roll Fantasy.” Any era of rock and roll qualifies, let your creativity run wild! You can rock out with a band, do a celebrity rock star theme or impersonation, recreate an iconic moment in rock and roll history, and perhaps even reuse some of your decorations from other years that might be applicable.

Just one caveat, I have been told in no uncertain terms we need to keep it all very “family friendly.” Please don’t toss a bunch of empty Jack Daniels bottles on your lawn and set a couch on fire while you dance around it wearing one-piece reindeer pajamas lip syncing to “Shout at the Devil”...(if you know what I’m talking about, I’m talking to you.)

Grand Marshal Larry Gottlieb is already lining up boats for a spectacular parade December 14 and 15. As of the print deadline, these fine folks have committed boats to participate in addition to Larry; Jim Childers, Dean Oliver, the Seagate Yacht Club, William Larkin, and

George and Sylvia DiMatteo.

We do need to clarify, especially with newcomers to the Harbour, (because it is a bit confusing,) the boat parade is NOT the Cruise of Lights® or vice-versa. They are two separate events. The Cruise of Lights® takes people out on boats to look at decorated homes. The boat parade is people watching decorated boats from homes (or other boats, or the beaches.)

The 2019 Huntington Harbour Boat Parade and home decorating theme is “Rock & Roll Fantasy”

One is a fundraiser (the Cruise), the other (the Parade) is the Huntington Harbour Philharmonic Committee’s way

of saying “thank you” to the Harbour residents for decorating their homes so we are able to have a fundraiser called the Cruise of Lights® (because a “Cruise of Dark Homes” won’t sell many tickets!)

That’s why it is so important to decorate and participate—it’s much more than looking festive for the holiday season. The Cruise of Lights® generates a vital and substantial amount of revenue for the Philharmonic Society of Orange County’s youth music programs by selling thousands of tickets for the public to board large, professionally captained boats contracted for the event.

The boat parade is an all-volunteer effort of private boats organized by the HHPC. It is not a function of the city, a marina company, or chamber of commerce, (like other communities’ boat parades.) The boat parade is intended to be the HHPC’s show of appreciation to the waterfront and off-water Harbour residents for supporting our efforts to raise money for youth music programs through the Cruise of Lights® fundraiser, and have some fun doing it!

So join the party, do some good, support a great cause, win an award, and rock your boat! To register your boat for the parade and for more information, go to www.hhboatparade.org or email Larry at eyecapt@gmail.com.

Sydney and Jim Doulames presenting an extremely generous check from SE Pipe Line Construction.

Members of the HHPC attended a preview of the 26th Philharmonic House of Design. We enjoyed delightful light bites, cocktails, dinner and meeting the designers and hearing about their creative method.

This is my first column as HHPC's Public Relations Chair. (You've hopefully been reading my Marina/Windjammer articles for the last four years!) Rest assured, I did not fall off the proverbial turnip truck, I have an extensive history of civic and non-profit involvement. There's no way anyone could ever replace Eva Kilgore, or even try to fill her shoes, but hopefully I can help HHPC continue our great work and move forward.

Along with the incredible Charmaine Rood, we aim to bring the HHPC further into the digital age by building up our online presence. If you are not following us on Facebook, go to [CruiseofLightsHHPC](#) right now and get onboard. It's the place not only for Cruise of Lights® info, but all of our events throughout the year. Share it with your Facebook friends too! You can also find us on Instagram at [CruiseofLights](#).

The Grand Marshal event held on March 23 at the SeaCliff Country Club, where outgoing Grand Marshals Ross and John de la Haye were celebrated and thanked for all their work. Although a prestigious honor, it is not a ceremonial title—there are qualification requirements and tasks we rely on the Grand Marshal to handle. We are pleased to announce Larry Gottlieb as the 2019 Grand Marshal for the boat parade! Larry has been involved with the Philharmonic for quite some time since moving to the Harbour in 1982. He

won the Sweepstakes award for decorating his waterfront home, was involved with the Juniors program, participated in numerous parades, and served as Parade Captain, Night Captain and Lieutenant. Larry (and Sheri—they're a dynamic duo) are already bringing some fresh ideas to the table and hope to "make the Boat Parade magical and to make the Harbour the place to be on December 14 & 15."

One of the first orders of business for the Grand Marshal is deciding on a decorating theme and after coming up with several good ones, the theme for 2019 is "Rock n Roll Fantasy." (See the boat parade article for more details and how to join the parade.)

Also at the Grand Marshal Event was one of our Harbour neighbors and Trinidad member, Jim Doulames. He has a company called SE Pipe Line Construction, which has been in business since 1946. Jim has been an extremely generous supporter of the HHPC, presenting us with another massive check this year to bring his total contributions to over \$160,000! Thank you, Jim for your continued support of youth music programs in our community. It is greatly appreciated.

If you missed the Junior's Fashion Show, make a point to attend next year! It was a fantastic afternoon with outstanding silent and live auction items, and a fast-paced fashion show opened by our own

supermodel ambassadors from each of the HHPC groups. Congratulations to all the Juniors, and event chairs Elizabeth Henry and Rachel Helgeson.

The annual Attic Treasures fundraiser was on May 4 in the Huntington Harbour Place Mall parking lot. Chairs Susan Lipman and Niki Rood and the Attic Treasures committee once again filled up the Philharmonic Office with donations, leaving Madeline Fields only a narrow path to her desk. Thanks to everyone for your donations and the volunteers who showed up as early as 5 a.m. to set it up and make it happen. Special thanks to the Attic Treasures underwriters: Patty Taylor, Gail & Robert Sebring, Michelle Brenner, Jim & Charmaine Rood, Ron & Marcia Kay Radelet, Patty Reilly, Marlene Nielsen, Carol Leu Ventura, Marlene Schell, and Barbara Howland.

The Philharmonic Society's House of Design is going on now through June 9. It's a spectacular estate in Laguna Niguel this year featuring the work of 15 designers. Information is on the [CruiseofLightsHHPC](#) Facebook page. (Seriously, put the magazine down and go follow the page before you forget!)

Look for HHPC members and Grand Marshal Larry Gottlieb in the 4th of July Parade. We'll also be at the Annual Concert in the Park in August. Start thinking of ways you can "Rock" your holiday decorations!

HHPC: Marina/Windjammer

by Lara Anderson

Annual Marina Windjammer photo on the stairs.

At our March meeting we were pleased to meet Tommy Phillips, the new President and Artistic Director of the Philharmonic Society of Orange County. He spoke about the direction he'd like to take the Society in and the commitment to youth music education programs, saying it's an "exciting time to be part of the organization." He's also of the mindset we need a larger public platform for what the society does, to better make the connection between the programs provided through the schools and the Philharmonic Society. (I agree!) We also welcomed two new members, Sally Philips and Jan Marshall.

As we close out our fundraising year, we recognized the outgoing and incoming board members at our Installation Luncheon on April 18, held at Joanne Fernbach's lovely home. Lisa Weller was presented with her President's pendant and our Volunteer of the Year, Coralie Prince, was announced.

If you haven't met Coralie yet, she's a dynamo! Not only is she already busy

arranging for the musical entertainment to keep the Cruise of Lights crowds calm, collected, and in the holiday spirit as they wait to board the buses and boats this December, but she has taken the Music Mobile to a whole new level. This year, the number of kids the Huntington Harbour Philharmonic Committee presented the Music Mobile to was a phenomenal 1,610, thanks in no small part to Coralie! She got the Music Mobile into schools in Los Alamitos for the first time, the district where she used to teach. Coralie's passion for music extends outside her volunteering, having a long history with jazz music programs and she currently plays drums in a jazz ensemble.

Our regular meetings go dark for the summer but volunteer docents are still needed for the House of Design throughout its run until June 9. We'll soon be planning the Holiday Boutique scheduled for October 18 & 19, and we have a summer party scheduled for August 10.

Volunteer of the Year Coralie Prince.

If you're new to Huntington Harbour, or been around a while and looking for something new to do, we'd love to meet you! To learn more about volunteering with us, becoming a Marina/Windjammer or to check out the food, fun and friends at our next meeting, contact Membership Chair Pat Decou at 714-892-1344 or email: dukedecou@yahoo.com.

HHPC: Juniors

by Elizabeth Henry and Rachel Helgeson

HHPC Juniors write thank you notes to the generous sponsors of "The Splash."

Juniors in their evening dresses.

On March 31, the HHPC Juniors made a huge splash at SeaCliff Country Club. Splash, the group's annual fashion show fundraiser, was attended by 150 parents, friends, and Philharmonic members. The beach themed event included both live and silent auction items. Hot commodities such as dinner at Captain Jack's, Duffy boat rides, and tickets to the PSOC presentation of The Silk Road Ensemble crowded the silent auction tables.

Calvin Free emceed the event and acted as auctioneer. A mini Louis Vuitton Bond Street bag, donated by Gail Sebring, was

the big catch of the day during the lively live auction.

The day's highlight had to be the fashion show. Twenty-nine Juniors and seven ambassador models, representations from the six groups of the HHPC, strutted through a slick and stylish production under the guidance of Nicole Stewart Fashion Productions. Stewart, a HHPC member, graciously volunteered her time to coordinate the Fashion Show.

The models wore clothes from J. Ensemble in Seal Beach, Stitch and Feather, Katin, Tommy Bahama Pacific

City, and Edindale Tuxedos and Tailoring Marina Village.

Proceeds will support the educational arm of the Committees of the Philharmonic Society of Orange County.

At the last meeting of the year, members wrote and signed thank you notes to the many sponsors and donors who helped make the day a complete Splash.

The HHPC Juniors is open to all local high school students. Meetings will begin again in September. For more information, you can send an email to HHPCJuniors@gmail.com.

New Admiralty Board for 2019-2020.

Here we are at the end of our year, and we have seen our hard work benefit the children of Orange County, and we did this while having fun all the time.

Our gracious host Elaine Montgomery had the March meeting at her lovely Huntington Beach home. Our slate of nominees for the Board for year 2019-20 were voted on and approved.

We had our April meeting at Sebastians Italian Restaurant for the installation of our new Board. Mary Busche our current President waived getting a stone put in her medallion and donated the money to HHPC; we just love her so much!

Jeanne Caille was named Volunteer of the year after a secret ballot. Mary Busche called Charmaine Rood up and crowned her for her hard work keeping us all on our toes.

Mary Busche presented the outgoing Board with Certificates acknowledging a cash gift to the Philharmonic Children's Education program in their name.

We are currently working on the Attic Treasures. Janet Johnson has done a terrific job and the sale will have taken place by the time you read this. This is such a fun event and really you can find treasures here.

A large group of Admiralty gals attended the Junior's Fashion show at the Seacliff Country Club. We had a many members from all the Philharmonic groups modeling the clothes. In addition to having lots of baskets for a silent auction we had a live and lively action for a few very special designer items. Our gal Barbara Howland walked off as the big winner with a new purse and a basket.

We will be having fun yet this summer before we start our meeting again in September. If you would like to join us please contact Judy Cassidy, Membership V.P. at (714) 842-9343.

HHPC: Islanders

by Cristi Ulrich

Members at the Islander group meeting and installation held at Cucina Alessá.

Well we can barely believe it, but April has come and gone, and we are in our last active month – MAY – for the year. We met at Cucina Alessá for our Islander Group Meeting and Installation. Denise Sonnenberg thanked her outgoing Board with a bottle of Champaign each and she was toasted and cheered on for graciously leading the Islanders for the last 2 years. We Islanders love and cherish Denise!

We also toasted our 2019-20 Grand Marshall, Larry Gottlieb and his Fiancé, Sherri Schuster, now a member of the Islanders. Thank you for stepping up. Congratulations to Jeanie Gibson our Islander of the month. We thank you Jeanie for all your hard work in general and for a FABULOUS Grand Marshall Event. The Islanders agree that this year's event was one of the best! What we would do without you we can only imagine but we know that the evening would be far less colorful and fun.

We are also thrilled to celebrate our INFAMOUS “Susan Qaqundah” voted Islander of the Year. She has been a member of the Islanders since 1983 and I do not think there is any job she has not mastered. Her devotion to this charity is enormous and the Islanders are so happy to express our appreciation for her tireless time and energy.

The Juniors Fashion Show was a huge success with over 150 attendees. We hope that this event will provide \$10,000 to the PSOC. Thank you, Elizabeth Henry and Rachel Helgeson, for all your hard work and the love you shared with these wonderful kids. Music Mobile was

also a success this year thanks to Joyce Zimmerman Ochs and Donna Carlow.

As for May, Attic Treasures went off without a hitch and we eagerly await the results of our efforts and the dollar donation we will present to the PSOC. We are all looking forward to PSOC 2020 Annual Meeting and Installation. Our very own Kim Weddon will be installed

as President and we could not be in better hands for 2020! Thank you, Islander's, for a wonderful year, loaded with great work for our Children and their musical experience, and so much friendship and love. In closing, thanks to us all for the FUN, FUN, FUN that we Islander's continue to create year after year!

by Lolly Mchardy

Sandpiper Volunteers of the year - Nicole Stewart and Gloria Souders.

The HHPC Sandpipers had a great installation and luncheon at Old Ranch Country Club where we honored Mary Lundin and presented her with a 25 year pin. She has been an amazing asset to our group over the years. We were also happy to announce the Sandpipers volunteers

Mary Lundin receiving her 25 Year pin, L to R: Susan Lipman, Mary Lundin, and Lolly McHardy.

of the year, Nicole Stewart and Gloria Souders. Well deserved!

We had 8 Sandpipers and their husbands take a coastal cruise up the coast to Victoria and Vancouver as a fundraiser. Part of the proceeds of the cruise was given to HHPC. It was a fun adventure

and we can't wait to do it again next year.

Our meetings are held on the third Thursday of every month at different members homes. If you would like to join us, please contact our Membership Chair, Heather Sullivan at (714) 272-2195 or email at h.sullivan@dreamvacations.com.

HHPC: Trinidad

by Tharice Opalewski

Italian Riviera themed party, L-R: Martha Askew, Deborah Fairon, Roni Fell, Gale Weis and Sharon Courtway.

Wow what an end to a perfect few months! March brought us tons of fun activities to raise money for the Philharmonic. We completed our duty to host the Music Mobile at the local elementary schools and what a joy it was to see the innocent and curious faces as they were introduced to the instruments that make up an orchestra (see photo, above right). We still have a few ushering events to participate in before we close out this school year but signed up and ready to finish strong.

We also celebrated our Juniors at the Annual Junior Fashion Show this year featuring our lovely Elizabeth Larripa wearing a beautiful ensemble by Joseph Ribkoff as she strutted her sassy self down the runway.

Trinidad was well represented at the Grand Marshall event at the scenic Seacliff Country Club, a Space Odyssey theme was beyond expectations as always.

Our reward for the hard work was a beautiful Italian Riviera themed party hosted by Martha Askew. Martha did a fabulous job of making us feel like we had just stepped right into an Italian Riviera. Everyone dressed in white, bright yellows and other pastel spring colors. To say the least it was a grand event to kick off a beautiful spring evening! We were served a fabulous menu of Italian fare catered by Capone's Restaurant consisting of Bruschetta, salad, Chicken Picatta, Penne Marinara with meatballs, spinach ravioli and grilled shrimp. My mouth is

Hosting the Music Mobile, L-R: Helen Hagen, Dee and Kirby Holte, Elizabeth Larripa, and Bea Swanson.

still watering at the deliciousness of the evening that was topped off with adult beverages and decadent desserts.

Upcoming events for this season close will be Attic Treasures, House of Design, Installations (featured in the next article) of course the announcements of the new boards is forth coming and Volunteer of the Year, then a much needed break for the summer. In the meantime, we meet the third Thursday of every month and would love to add you to our membership roster. Please contact Ellen Martin for membership information at ellenhuntington@yahoo.com.

Until the August article, I bid you farewell or, keeping with our Italian theme, arrivederci!

Cathy Thomas Cooks

by Cathy Thomas

Many of you know and love Chef Pascal Olhats. In his many years in O.C., his charm and culinary talent have garnered many fans and friends. Pascal is fighting T-cell lymphoma but remains very optimistic about recovery.

At some point, cancer invades the life of someone we know and love. Like most people, I want to help friends and family that are undergoing treatment. I want to cook something irresistible, but I am at a loss as to what would be nourishing and appealing. The cookbook “The Cancer-Fighting Kitchen” by Rebecca Katz with Mat Edelson cuts through all the confusing data and offers tangible ways to be helpful. Here’s a recipe from the book. Pascal said that the soup is delicious.

Chicken Vegetable Soup with Ginger Meatballs, 4 servings

Meatballs:

1 pound ground turkey or chicken, 2 teaspoons grated fresh ginger, 1 teaspoon minced garlic, 1/4 cup fresh parsley (finely chopped), 1/2 teaspoon sea salt, pinch of cayenne, 1 egg, beaten, 1/3 cup uncooked white basmati or jasmine rice.

Soup:

2 tablespoons extra-virgin olive oil, 1 yellow onion, diced small, sea salt, 1 large carrot (peeled, diced small), 1 large celery stalk (diced small), 2 cloves garlic (minced), 1 teaspoon grated fresh ginger, 8 cups store-bought organic chicken broth, 1/2 cup fresh or frozen sweet peas, 1/4 cup fresh parsley (finely chopped), 1/4 cup fresh basil (finely chopped), garnish: 1 lime, cut into quarters.

1. For meatballs: Line rimmed baking sheet with wax paper. Combine turkey, ginger, garlic, parsley, salt, cayenne, egg and rice in bowl and mix with your hands or a spatula until well combined. Wet palms of hands and roll into 1-inch balls and place on prepared pan.

2. For soup: Heat oil in soup pot over medium heat; add onion and pinch of salt and cook until translucent about 4 minutes. Add carrots, celery, garlic, ginger and 1/4 teaspoon salt; continue cooking for about 3 minutes.

3. Pour in 1/2 cup broth to deglaze pot and cook until liquid is reduced by half. Add remaining 7 1/2 cups broth and another 1/4 teaspoon salt; bring to boil on high heat. Reduce heat to maintain a vigorous simmer, then gently transfer half of the meatballs into the simmering broth (refrigerate or freeze the remainder to use later). Cover and allow the meatballs to simmer for 15 minutes. Add peas and cook 3 minutes more, then stir in parsley and basil. Serve each bowl garnished with a wedge of lime.

Sea Belles of the HHYC

by Ship's Hailer Lara Anderson

Golden West College President Tim McGrath with Jo Andrews.

All aboard for Opening Day with Staff Commodore John Schmidt.

Did you see the Sea Belles in the Opening Day boat parade? Thank you to Staff Commodore John Schmidt for hosting us on your boat.

In April, our fellow Sea Belle Patty Malone, who has a Ph.D. in Communication Studies and has appeared on television, radio, and helped numerous companies improve productivity and cooperation, shared with us how important clear communication is, and how easily it can be to be misunderstood. The top takeaways are we all need to listen more, judge less, and show appreciation more

often. And yes, in case you're wondering, Patty is an outstanding speaker!

For the meeting on May 1st, Cruise Director Jo Andrews invited Tim McGrath, President of Golden West College. He shared some exciting news about a Farmer's Market coming to the campus to complement the weekend swap meets. Golden West isn't just for a diverse student body earning two-year degrees or transferring to a university, there is something on campus for everyone of every age! Golden West is also involved more than ever in the community.

The Sea Belles are dark for the summer. Our regular monthly meetings will resume in September but in the meantime, Captain Ellie Winterfeld and the crew are considering getting some summer fun on the calendar at the Huntington Harbour Yacht Club. Watch for special Sea Belles Brunch dates to meet up with us at a delicious Sunday Brunch too.

For more information, you can visit our web page at www.HHYC.org. Sea you at the Club!

Huntington Harbour Republican Women

by Annette Eliot

L-R: Amy Harman, Cathy Rigby, Annette Eliot, and Lyn Semeta.

The Surf City Singers performing at our "Women Making History" meeting.

HHRWF celebrated Memorial Day at our May meeting with a salute to the military featuring speaker Robert "Buzz" Patterson who signed copies of his books and had a meet and greet. Mr. Patterson formerly worked in the Clinton White House where he carried the nuclear

football, was a colonel in the Air Force, and is a New York Times best-selling author. He presented a very lively presentation with a vivid behind the scenes depiction of the Clinton White House.

Upcoming:

California in the 1970's had Howard Jarvis fighting against high taxes. Today we have Carl DeMaio. Gas taxes, road taxes, and whatever taxes Sacramento throws at us impacting our lives and wallets, has Carl DeMaio fighting for California tax payers. It is with great excitement that we announce Carl DeMaio will be our speaker at the August 28 meeting. To RSVP for this event, please call (714) 846-4841. More information can be found online at www.hhrwf.com.

Carl DeMaio hosts a daily news and politics show on news radio 600 KOGO. He also serves as chairman of "Reform California" which wages campaigns against tax increases and advocates for a variety of government reforms. This is a not to be missed informative meeting.

Our "Women Making History" meeting was a great success. Our featured speaker, was the beloved, Cathy Rigby, who spoke about the challenges she faced during her life and her triumphs in her time of adversity. Rigby was very inspirational to all who attended.

To honor Cathy Rigby's success in the theater, HHRWF member, Susan Dawson, arranged for our local Surf City Singers to sing a medley of Broadway songs to Cathy and our meeting guest. These kids were fantastic! Our guest speaker for the evening making history was Lyn Semeta, Huntington Beach City Councilwoman, who discussed city projects about encouraging new art for the city to keeping our city safe. Semeta was very motivational about her vision of the city's direction.

Happenings:

We will be in the Huntington Beach 4th of July Parade. We want to see your smiling faces, give us a wave!

The "Waterfront Home Tour" event is happening this year on October 12. We have five beautiful waterfront homes just waiting to welcome you in for a look. Each waterfront home is a 10 decorated to the nines, one even has its own elevator! This is a not to be missed event.

Huntinton Harbour Art Association

by name

Janet Johnson, Pam Smart, Joan Preston, Linda Sackin, Nancy Smith, Mark Smith, Marsha Hendler, Pat McKenna, Diane Moos, Lilli Cutler, Barbara Simone

The workshop with paper was a happy and exciting experience led by Nancy Smith and her husband and organized by Marsha Hendler and Pat McKenna. The supply table in the Eastgate Clubhouse was heaped high with colorful papers, ribbons and fancy supplies. The members spent a great deal of time choosing the elements they wanted for their work as they began to assemble their project on 16x20 canvas boards. You can see in the photograph how creative each person was, and how delighted each was with the finished project.

Janet Johnson, president of the HHAA, planned a new event for the group, an architectural and interior design tour visiting homes in the Harbour. Four persons graciously agreed to hostess our group. Michele Brenner welcomed members and gave a detailed talk about the restoration of her home on Admiralty Island. Barbara and Charles Steele told of the remodeling of their family home on Algonquin that included a family art gallery, a sunken living room and a colorful front yard of blooming flowers. Alice Zamboni led a tour of her new home (they have lived in the Harbour for years) with its two story curved window overlooking the channel and the curving staircase that lead to the upper floors.

The tour ended at Barbara Larson's dual condominium on Christiane Bay which has two condominiums planned to accommodate two families. This home was also the site for the high tea to end the day. The theme of the tour was started at the doorway with an antique hat stand from which dangled stylish hats, small

and flowery, to fit the high tea theme.

Three tables were set with fine china and silver and other lovely pieces from the homes of Carrol Wolf, Betty Viers, Berry Reid, Linda Morrow and Karen Peoples. Many women contributed delightful sandwiches, delicate desserts, and a selection of exotic teas and sweets. It was a charming end to a delightful day.

The new officers for the Art Association were selected by a committee and will be voted upon by the entire association at the Spring Luncheon "Show and Tell" when all members are encouraged to bring their creative work of the year and present it to their friends. This is one of the livelier events of the year, full of fun and laughter and culminating in a year of friendship.

Summer Fun at Bolsa Chica

by Grace Adams

As summer gets into full swing and the beaches begin to attract people from near and far, children look forward to the promise of fun in the sun and close another year of their educational career. While summer allows children to put away their books and daily homework, it doesn't mean to say they can't participate in engaging programs that continue to stimulate their learning and interest in the outdoors. In fact, studies have shown that children who are involved in summer programs help them build interest and skills to become successful adults.

The Bolsa Chica Conservancy provides an extra dimension to fun activities in the summer time. It offers two youth programs that offer learning in a fun, hands-on environment that allows children to learn wetland science without the pressure of homework and tests. The BCC's Summer Youth Programs include the Summer Wetland Explorers Program (SWEP) and the Youth Leadership in Environmental Actions Program (YLEAP).

The Summer Wetland Explorers Program (SWEP) allows children, grades K-7, to explore the wetlands at the Bolsa Chica Ecological Reserve and Bolsa Chica State Beach during week-long programs of outdoor learning. For one week, from 9:00am to 4:00pm, children find themselves in immersive outdoor activities, science-based labs and crafts, and exploration that stimulate wonder and critical thinking.

The first week of 2019's SWEP begins June 24th and is for Junior Summer Wetland Explorers, grades K through 3. The second week begins July 8th and is for Senior Summer Wetland Explorers, grades 4 through 7. Children learn about habitats, wetlands, watersheds, ecosystems, food webs, and conservation through guided hikes through nearly 5 miles of trails, hands-on science labs, and STEM-based activities and crafts.

YLEAP begins July 29th, and is designed for middle school and high school students to be engaged and mentored as conservation leaders. Much like their younger counterparts in the Explorers Program, they are immersed in a one-week, all-day, outdoor training program that exposes them to wetland science, conservation, restoration, and leadership skills. Following their summer experience, YLEAP participants are required to volunteer at the Reserve for a minimum of 30 hours over 11 months. Participants return to help lead tours, conduct habitat restoration, and assist in outreach and citizen science projects.

The Conservancy's Summer Youth Programs are at the intersection of nature and education, conservation of land and wildlife, and ensuring clean water systems. The program offers children and youth the opportunity to spend a week of the summer outdoors exploring the 1,445 acre Reserve and learning about the importance of wetlands and the species of plants and animals dependent upon the wetlands to thrive.

The Reserve's coastal wetland serves as habitat for more than 200 species of birds and hundreds of plant and other animal species. In the United States, 35% of all plants and animals listed as threatened

or endangered either live in the wetlands or are reliant upon them. The Summer Program participants learn the value of wetlands, the land-sea interface, and their own personal role in ensuring the protection and preservation of this natural resource. They learn how human activities can have negative effects on the natural environment and immersion in the wetlands promotes a deep and lasting appreciation for this precious resource.

Finally, children are given the opportunity to unplug and appreciate nature through exploration of the Reserve and nearby Bolsa Chica State Beach. The required volunteer component of YLEAP assures that middle and high school participants will devote more hours to being immersed in nature, and our hope is that all participants will leave these programs with leadership skills and a desire to spend more time exploring the outdoors, choosing nature over screen-time and electronic devices.

For information about the Summer Wetland Explorers Program (SWEP), contact Whitney Thompson at whitney@bolsachica.org and for the Youth Leadership in Environmental Actions Program (YLEAP), contact Jeannette Bush at jeannette@bolsachica.org.

Anglers of Huntington Harbour

by Kathy Bayless

March TGIF

Friday evening March 31st more than 50 Anglers of Huntington Harbour were welcomed to the Coral Cay Main Channel waterfront home of Nick and Cindy DiBenedetto for the organization's March TGIF. Each of the Anglers brought one of their crowd-pleasing appetizers or desserts to be enjoyed by all as they socialized and discussed upcoming events like the Sunday Champagne Brunch at Sea Cliff Country Club. As a special treat the Anglers were invited to tour the DiBenedetto's beautiful 94' Mckinna Yacht "Sequoia". Attendees celebrating March birthdays included Karen Peoples and Rob Sebring.

Champagne Brunch

Sunday morning April 28th 35 Anglers of Huntington Harbour gathered at Sea Cliff Country Club for a fabulous Champagne Brunch organized by Diana Casey. While enjoying bottomless champagne and mimosas and a spectacular array of gourmet foods members discussed upcoming events like the annual Kids Fishing Trip for at-risk children in our community on May 29th

Anglers of Huntington Harbour March TGIF hosts Nick and Cindy DiBenedetto.

and the Inter-Club Fishing Tournament in June. Attendees celebrating April birthdays included Bob Hetzler, Jim Walton and Bruce Bayless.

Upcoming Events

In 2019 the Anglers of Huntington Harbour are celebrating their 55th year in the Harbour and have many exciting social, fishing and philanthropic activities planned including the June Inter-Club

Fishing Tournament organized by Bob and Connie Mandic, the July 26th TGIF at the home of Mike and Pam Myers and the August 24th, "Evening on the Bay" at the home of Rob and Gail Sebring.

If you live in the Harbour and want to be considered for one of our open membership positions and attend one of our events call membership chair Paula Hetzler at (714) 969-2570.

Sea Isle Garden Club

by Caron Mount and Cindy Allen

In March, Sea Isle members enjoyed a guided tour of Sherman Library and Gardens in Corona Del Mar. So many flowers, trees, succulents, and plants in such a small area. The tour was set up by Mary Ann Brinket, who also reserved a table at Cafe Jardin for lunch. We viewed the different garden areas, each immaculately maintained by various specialists for different plant types. Adrienne DeWolfe conducted our meeting at lunch, with Carolyn Platt, Donna Davis, Anne Blayden, Caron Mount, Jean Worden, Lu Mendenhall, and Lucille Mascoli.

A nominating committee, consisting of Donna Davis, Carolyn Platt, and Anne Blayden, was chosen to help Cindy Allen, our parliamentarian, select a slate of officers for the coming year.

Our installation was held on April 17 at Mangia Mangia Restaurant in Huntington Beach. Our table was beautifully decorated with attractive Easter baskets with candy eggs inside from Carolyn Platt and pink and red flowers with green wrap from President Adrienne DeWolfe. Adrienne also made pretty flower pens for the ladies in attendance. After a delicious meal, President Adrienne

thanked the outgoing 2018-2019 Board and installed the new 2019-2020 Board. The new Board consists of Co-Presidents Adrienne DeWolfe and Lu Mendenhall, VP Membership/Programs Carolyn Platt assisted by Sea Isle Garden Club members, Treasurer Carolyn Lloyd, assisted by Mary Ann Brinket, and Parliamentarian Cindy Broz Allen. Dorothy Ralphs and Caron Mount are the Edinger Parkway Liaisons. Lucille Mascoli and Lu Mendenhall are

Hospitality Chairpersons. Cindy Broz Allen, with assistance from Caron Mount will be the Publicity Chairperson.

Sea Isle Garden Club does not have meetings in the summer, but we will be watching for the blooms of Matijila poppies in the Edinger Parkway.

We encourage you to join the Sea Isle Garden Club! Please call Membership Chair, Carolyn Platt at (714) 840-4216 for more information.

Opening Day Hosts-Jr. Staff Commodore Cindy Broz Allen and good friend SGYC Linda Martin.

2019 Staff Officers-Rear Commodore Donna Wells, Vice Commodore Francis Okino, Commodore Erlene Pace, Jr. Staff Commodore Cindy Broz Allen.

Thanks to the committed efforts of Host Jr. Staff Commodore Cindy Broz Allen and a good friend to SGYC Linda Martin, SeaGate Yacht Club's opening day of the 2019 yachting season was a hit. Cindy and Linda will tell you they didn't do it alone. They had a dedicated crew of distinguished officers including Commodore Erlene Pace. Rear Commodore Donna Wells and Vice Commodore Francis Okino did a great job lining up the boats and planning the parade.

We want to thank the support of OC Sheriff's Harbor Patrol that escorted the parade. There were boats of all types beautifully decorated with flags and burgees.

SGYC Boats participating were: FIN-TASTIC, Robin & Jean Clark; LA FORTUNA II, Clement Aime;

KATHLEEN, Greg & Kathleen Lee; LOVE DANCER, Josef Davydovits and Felicia Emad; BATES MOTEL, Dan & Chris Bates; Encore II, Elliott & Debra Wainer; Hat'R US, Robert Sanabria; RO III, Floyd & Mira D'Angelo; MY DIANE, Bill & Pam Oneida and Dan Torla; WATT A MIRACLE, Gary and Arlene Dixon; and DUFFY'S TAVERN, Roger & Lynne Wilhelm.

Host Jr. Staff Commodore Cindy Broz Allen along with Commodore Erlene Pace, Flag Officers & Board Members were joined by SGYC membership, families, guests and several dignitaries for the Opening Day Ceremony and Dinner.

It was a beautiful day for the outside ceremony. Jr Staff Commodore Cindy Broz Allen introduced Staff Commodores and spouses attending, followed by

Presentation of Colors by the Naval Sea Cadets of Seal Beach Color Guard. Staff Commodore Kelly Tidwell led the group in singing the "Star Spangled Banner". Staff Commodore Mike Courtway provided the Invocation. Rear Commodore Donna Wells rang the eight bells. The flag officers were very grateful to have Staff Commodore Ray Nagele help them hoist their flags. No tangles or snags. Commodore Erlene Pace presented new SGYC members Trevor Oliver and Gary Lynch and Michele Samit with their Burgees.

With 96 attending, the appetizing buffet dinner prepared by Teak Catering included the SGYC Welcome Aboard Galley Station with California Caesar Salad with cilantro dressing, Grilled Summer Vegetables marinated in Fresh Herbs, Grilled Tri-Tip with mustard, horseradish and BBQ Sauce on the Side, Baked Mahi Mahi with vanilla-rum sauce, Creamy Mac n' Cheese and a Baked Potato Bar with all the Traditional Toppings, Corn Bread with Maple Butter. The Sea Side Desserts and Coffee Bar presented a selection of pies including Apple, Peach and Banana Cream, Garden District Chocolate Dipped Strawberries and coffee.

Thank you to Jr. Staff Commodore Cindy Broz Allen and others who contributed to this article.

Summer Solstice

The summer solstice is upon us: June 21 is the longest day and the shortest night of the year for anyone living north of the equator. The word "solstice" is derived from the Latin "sol," meaning "sun" and "sistere," meaning "to stand still." The Summer Solstice is aligned with the elements of fire, passion, will & drive. This is the time to look at the bigger scope of your life and spiritual path, and take action.

Since the beginning of time, our ancestors all around the globe celebrated and commemorated this time. Summer solstice has long been associated with both the Christian St. John the Baptist, as well as more ancient, pagan rituals.

In Spain, with its love of having a good time in the company of friends and loved ones, people gather on the beach with roaring bonfires, drink, food, and friends. It's common to see people jumping over fires which, according to legend, cleanse the body and the soul. Jumping in the sea at midnight is supposed to be a way to wash away evil spirits.

Slavic countries typically make an effigy of plants and later burn it or destroy it. The act is believed to be a sacrifice to ensure a good harvest.

Austrians come together to light hundreds of mountain fires to mark this magical time. Originated from a medieval tradition, it's thought that these fires were ways to worship the earth.

In England, thousands of people gather together at the famous Stonehenge. This prehistoric site has been a sacred place of worship and celebration for the summer solstice for thousands of years. It is known for its precise alignment with the sun's movement, although how and why the site was first built remain a mystery.

Summer solstice is a time of joy and celebration but is also a time to take action and move forward. It is a time to finally finish those things that have been in the back of your mind. Set up that 529 account for your grandchild that you have been thinking about, obtain the Health Care Directives from your young adult children, visit your estate attorney to update your will or trust. Whatever your next step will be, I encourage you to take action! And make sure you don't miss the sunset at 8:06 p.m. in Huntington Harbour as we enjoy the longest day of the year. Happy Solstice to you, your family and friends!

Inspired Financial is a fee-only comprehensive financial planning firm that specializes in serving women in transition—particularly widows and divorcees. This article is intended solely for informational purposes and does not provide advice for your specific situation.

Assistance League Huntington Beach

by Diane Dwyer

Treasures by the Sea 2019, an amazing experience.

Have you ever attended Assistance League® of Huntington Beach's annual fundraiser "Treasures by the Sea?" This annual fundraiser is one of our largest sources of revenue supporting our mission of "transforming the lives of children and adults through community programs" in Huntington Beach, Fountain Valley and Westminster.

ALHB was established in 1950, and has grown into an effective 100% volunteer nonprofit organization consisting of 350 member volunteers. These volunteers manage programs focused on basic needs, education and self-esteem. Last year, we gave back \$1,006,000 in goods and services to Huntington Beach, Fountain Valley and Westminster. Our members volunteered 66,861 hours of their time helping to transform the lives of 16,674 children and adults.

"Treasures by the Sea" is held every spring. This year it was held at the beautiful Waterfront Beach Resort, a Hilton Hotel. Guests began their day by enjoying an unbelievable shopping experience at a silent auction featuring hundreds of items such as jewelry, silver, crystal, collectibles, boutique purses, and beautifully themed baskets. At noon, 524 guests enjoyed a delicious luncheon, "Heads or Tails" opportunity game, Operation School Bell® appeal and live auction. Master of Ceremonies Matt Liffreing and Auctioneer Larry Dick kept the crowd entertained while conducting a very successful Operation School Bell® Ask and Live Auction.

Operation School Bell is the key beneficiary of the proceeds from our fundraiser. Last year 2,781 students had the opportunity to shop at "Target Nights" for new school clothes and shoes. This is quite an achievement, but it is only a small percentage of the school children in Huntington Beach, Fountain Valley and Westminster who qualify for help.

With so many children yet to be clothed, the money raised at our fundraiser is key to our success. Having new school clothes and shoes is so important to a child's self-esteem and is key to their educational success. Our total net revenue from the day was \$162,253. We are so pleased that out of the total revenue, \$72,000 was donated for Operation School Bell.

We want to thank all of our sponsors, donors, volunteers and guests (especially our friends in Huntington Harbour) for making "Treasures by the Sea" a success.

Save the date for March 28, 2020 and help us make Treasures by the Sea 2020 an even bigger success.

You can help us "make a difference" by donating your gently used clothing and household goods and shopping at the Assistance League Thrift Shop, 8071 Slater Ave (just East of Beach Blvd). We're open Tuesday, Wednesday, Friday and Saturday 11:00 am – 3:00 pm and on Thursday 1:00 - 5:00 pm.

We are now on ebay, so shop with us at www.ebay.com/usr/assistance_league_of_huntington_beach

Or make a cash donation to ALHB. To make a donation, go to our website www.ALHB.org. Learn more about us on Facebook at www.facebook.com/assistanceleagueofhb.

It was party time and there was green, green, green everywhere in Mim's great party room overlooking the water thanks to Darryl Isaac's artistic decorating. Our members wore green, brought green hors' d'oeuvres and accepted the Irish Blessing:

*May love and laughter light your days,
And warm your heart and home.*

*May good and faithful
Friends be yours, wherever you may roam.*

*May peace and plenty bless your world
With joy that long endures.*

*May all life's Passing seasons bring the best
To you and yours.*

There was much creativity with the green hors' d'oeuvres. Lots of parsley, mint and even a little green dye added to the array of shrimp, dips, meat balls, sandwiches, cookies, cake even green drinks. Clever designs and all very yummy. Scott Strickler provided Irish music and once in a while we chimed in singing to his music.

Our next party event will be at Mim's again and on May 4th, Kentucky Derby Day. We will be watching races from Noon until 4:00 PM. Barbara Blodgett

Sitting, L-R: Jackie Demos, Dave Crowley, Leslie Schaffer – Standing: Jack Busché, Richard Litsinger.

has offered to cook all the really authentic "Kentucky Derby" food. Stay tuned for my next article that will tell you all about Kentucky Derby food. I can't wait to taste each dish and find out how it's made so I can tell you all about it. I wonder if any betting will be going on. We may have a number raffle and the winner's number would win. Who knows? A prize will be given for the best dressed gentleman and also one for the best hat for a lady. What

better way can you raise money to help the children of Orangewood? Thanks Barbara for the idea and for all of your work. We have fun and enjoy knowing everything that we raise will go to make a child's life a little better and sometimes life changing.

If you would like more information about our activities or taking a tour of Orangewood Children's Home please call Barbara Blodgett at (714) 612-2390 (Membership Chairman).

Got 5 minutes? Stretch

by Cindy Shaw, PT, OCS

We always wish we had more time to take care of ourselves, especially when things start aching and creaking. Over time our connective tissues gradually lose extensibility and thus flexibility. This is especially true for any age when single positions like sitting at a desk or in a car, consume most of a day. Stretching is probably one of the most important things we can do for our bodies that we definitely have control over. As a Physical Therapist, I see so many injuries and pain issues that are caused or perpetuated by inflexibility. Of course, I would be happy to help you with an assessment and a personalized program, but there is so much you can do throughout your day to fit stretching in and make it routine.

First, a few basic principles of stretching are essential. Stretching should not be painful or forced. Stretches need to be held for at least 30 seconds, up to a full minute to be effective and not result in a protective shortening response. Probably

most important, stretching of muscle groups needs to be consistent in order to make long term changes in connective tissue flexibility and length, 3 times a week is not enough.

Here are a few things you can add in while you are doing other more routine life activities. When you are going up or down steps, pause and drop your heels over the edge to stretch your heel cords. Try this with both straight and

bent knees. When you are going up the boat ramp, pause at the bottom with your heels on the ramp and lean forward for another way to stretch your calves. Anytime you are sitting, stretch one leg at a time out in front of you with your heel on the ground, your knee straight, and pull you toes upward to stretch your hamstrings. To stretch the front of your hips and thighs, you can place your foot of one leg on a small chair, or stool, even a couple steps up on the stairs while still standing on the other. Keeping your back straight lean forward to feel the stretch on your standing leg. When you lay down at night, stretch your arms up high overhead and your legs downward for a full body stretch. You can then place your feet together and drop your knees out to the side in a butterfly stretch for your inner thighs.

Adding a few minutes of slowing down to stretch and breathe will make your body and mind feel better.

L to R: Elise Masseling, Lara Anderson, Cristy Brenner, and Kay Sullivan.

We have had some wonderful speakers this spring, thanks to the work of V.P. in charge of Programs, Elise Masseling. At our latest meeting in April, Cristy Brenner, President of the Saddleback Valley Bromeliad Society, spoke to the group about the varied world of Bromeliads. She is a retired professor of Geography and is enjoying the study and cultivation of Bromeliads. There are over 50 genera, 3500 species in a variety of colors and sizes. What they all have in common is that their flowers have three petals. The slide presentation showed the many colorful varieties in all sizes. Check out Rainforest Flora, Inc. and

Vista's Rare Plant Nursery. Bromeliads can be grown with succulents as they don't require a lot of water. An ideal soil mix is 1/3 potting soil, 1/3 bark, and 1/3 Perlite. Huntington Beach is an ideal spot for these plants because of the moist air. Tillandsias or air plants are part of this family. Meetings of Saddleback Valley Bromeliad Society are on the first Thursday of the month at 7:00 p.m. @ Norman Murray Center in Mission Viejo. For a free newsletter contact Mary Kermani at mehrnazk@aol.com.

At the March meeting, Kay Goddard, President of Shipley Nature Center and Member of HHGC presented an overview

of the 18-acre nature preserve in the heart of Huntington Beach. Supported by the City and volunteers, this local gem is the destination of several thousand school children throughout the year for Inside the Outdoors' programs. Cool Summer Nights Saturdays July 13-August 3 from 6-8 p.m. (gates open at 4) offer families a great way to enjoy the Nature Center and learn about topics such as Cavity Conservation, astronomy, birds of prey or Anna's hummingbirds. Learn more at www.shipleynature.org or by calling (714)842-4772.

In May we will conclude our programs for the year with "Bees in the Garden" presented by Terri Owens Clark from Long Beach Beekeepers. Bees are such an integral part of the ecosystems and our food supply, I look forward to hearing what we can do in our gardens for them. June we will conclude with our Installation Luncheon at Kathy May's in Central Park by the lake. Please feel free to join us third Tuesdays of each month (no meetings July and August) at 10 a.m. Call Connie Mandic, Membership chair at (714)377-0017 or Doreen Hill at (714) 878-3011. Our membership dues of \$40 enable us to give monies to local school gardens and enjoy worthwhile programs at our meetings.

TLC Members enjoying Lunch at our April Meeting.

Summer is here and it is time for the Trinidad Ladies Club women to take their summer vacations. However before we drift off into the sunset with our Pina Colada's, water wings, and string bikini's, I wanted to share a few events that we had this spring and are having this summer and early fall.

April's TLC meeting was hosted by Lori Keefner at her beautiful home. It was co-hosted by Marcia Beck, Debbie Woods, Candy Cloud, Kathy Korneff,

and Sandy Castelletti. Thank you ladies!

We had an amazing luncheon of jumbo shrimp, assorted cheese, spiced breakfast breads, three hearty salads and a yummy carrot cake for dessert! No one left feeling hungry!

Between our meeting and eating we had a very educational and exciting make up presentation presented by "Beauty Counter" who offers "safe and cleaner" products. We were all given goody bags to take home.

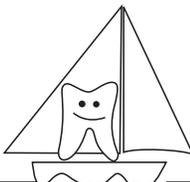

The TLC installation luncheon in May was held at Seacliff Country Club. It was hosted by our president, Vikki Morrison. A big thank you to Vikki for the past few years! You have been terrific and are very much appreciated.

Congratulations to our TLC Officers for 2019-2020 term: Presidents: Sandy Gallagher and Debbie Wood – VP of Membership: Debbie Cervantes – VP of Programs: Kathy Korneff and Martha Baumel – VP Ways and Means: Joanne Verhoven – Secretary: Candy Cloud –Treasurer: Sandi Noble – Parliamentarian: Vikki Morrison – Hospitality: Sandy Gallagher, Mary Lundin and Sharon Larson – Sunshine: Carolyn Platt and Linda Macbeth – Publicity: Marilyn Schwartz – Historian: Cindy Shaw.

This August 17th, Mary Lundin will be Hosting a fun event at her home! The theme is "Trailer Park Tragedy, A Politically Incorrect Night of Murder and Mystery in The Trailer Park." We cannot wait for this Event!

In closing one of our TLC Members said "Holy Smoken Rockets!" which I think is a great way to say "have a great summer!" Enjoy your family and friends. Live love and laugh! BBQ, go to the beach, eat ice cream and pie. Be well and be happy!

Any ladies that are interested in joining the Trinidad Ladies Club Group, please contact Debbie Cervantes at debcervantes@gmail.com.
